If the link does not work, copy and paste it into your browser.

Once logged in, enter the course and, in the top menu, click on "Enrol me in this course". That's it!

The screenshot shows a Moodle course page for 'SL Croatia'. The top navigation bar includes 'MadreCoraje', 'Home', 'Dashboard', and 'My courses'. On the right, there are notification and user profile icons. A left-hand navigation menu is expanded, showing 'General Info', 'Unit 1', and 'Unit 2'. The main content area has tabs for 'Course', 'Grades', 'Competencies', and 'Enrol me in this course', with the last one highlighted in a red box. Below the tabs is a 'General Info' section with 'Instructions' and 'Service-Learning' resources.

The estimated duration of the course is 3 hours. The course is structured in 3 units, consisting of 1 lesson, 1 complementary resource and 1 quiz.

By clicking on the unit and the resource you will be able to access its contents. To pass the quiz for each topic you must answer at least 3 of the 4 questions correctly. If you don't get it right the first time, don't worry, you have up to 3 attempts.

The course coordinator is Javier Saborido (jsaborido@madrecoraje.org), to whom you should send an email when you pass the three questionnaires indicating that you want your certificate. In that email, please specify your full name and ID number.

If you have any problems, questions or suggestions, please send an email to the coordinator.
